

Welcome MoCo Babe

You did it!! You scheduled your appointment with our MoCo team! We are so excited to meet you! But first we wanted to reach out and let you know what your first appointment will be like with our team!

If you havent already done so, please reach out to your MoCo team memeber and finish your online consultation via instagram. This will better prepare your team member for the day of your appointment!

Lastly before we get to the fun stuff , we have to tell you how to find us! We are located in the Shoppes At Lafayette Village.The best place to park is by the Lafayette House. If you walk back towards their tavern, we are the last unit in the building along the left. You can always refer to our village tours on our instagram for reference!

Now, lets get to know a little more about what your session at MoCo will entail! See you soon MoCo babe!

How to take care of your hair at home

The first step to taking care of your hair at home is taking a good look at what products and tools your are using in your hair.

Our goal at MoCo is to make sure that we educate you on how to duplicate what we have accomplished and most importantly keep your hair healthy!

We use Redken color, Pureology haircare and styling , and the entire Olaplex line. We believe that the key to helping you reach all of your hair goals, is a team effort from you and us combine! Mention this and receive 10% off of your first retail purchase!

Part of taking care of your hair, is scheduling your next session.

Your MoCo team member will go over what is realistic for you and your lifestyle! Then more importantly what is required to reach your hair goals and keep your hair healthy!
